

MESEA 2014 – Hotels in Saarbrücken

If you book your hotel room, please use the key word “**MESEA**” to receive the special conference rate.

All hotels are within walking distance to bus and tram stops. Buses run often and will bring you to and from Saarland University's main campus where the conference takes place. From the city center buses take about 15 minutes to campus. We will provide you with a bus map as time gets closer to our conference. All of Saarbrücken is safe to walk both day and night. In the city center around City Hall and the main shopping streets of "St. Johanner Markt" (an iconic market square) you can reach everything within a few minutes of walking. The Herman Neuberger Sportschule is within walking distance to campus. It offers accommodation similar to that of a youth hostel.
